Cece Loves Science
July 5-19

Wind your way through the numbered signs starting at Mesa Public Library to read Cece Loves Science by Kimberly Derting and Shelli R. Johannes, illustrated by Vashti Harrison. Interspersed with the book page signs are signs with simple science experiments you can do right where you're standing. Text a photo of your child or family with one of the signs to 505-500-4406 to be entered to win a copy of the book. The drawing for winners is July 20, 2021.
